About the speaker

SS

Dr Subodh S Gupta

Professor & Head

Department of Community Medicine

Mahatma Gandhi Institute of Medical Sciences, Sewagram, Maharashtra 442102, India

Teaching apart, he has also been involved in the implementation of a community-based education programme and the training of district medical officers and other health providers on issues related to public health. His areas of interest include early childhood development, home-based management for illnesses during childhood, school health programme, adolescent health, and community empowerment.
