Assistant Professor, Department of Speech Pathology & Audiology, SDUAHER

Mr Naveen Kumar. I
Assistant Professor, Department of Physiotherapy, SDUAHER

Dr Usha G Shenoy
Assistant Professor, Department of Allied Health and Basic Sciences, SDUAHER

Dr Vinutha Shankar MS
Professor, Department of Physiology, SDUMC, Director, UCHPE

THE COURSE

Value-added course

For: All undergraduate, postgraduate and PhD scholars from the departments of SDUMC and AH & BS

8 topics

Asynchronous, on the Learning Management System. Organised by the University Centre for Health Professions Education.

FOR INFORMATION uchpe@sduaher.ac.in University Centre for Health Professions Education, SDUAHER, Tamaka, Kolar

About

As a student of Health Professions Education, in addition to knowledge and attitudinal skills, communicating to an audience is an important component to meet the curricular objectives, including seminars and extra-curricular activities like research proposal presentation, conference presentation, etc. Allaying the anxiety of presentation needs adequate knowledge of design and appropriate body language. To equip students with these skills, this course is designed and offered asynchronously so that students can access the sessions in their free time on the Learning Management System.

Who it is for

All undergraduate, postgraduate and PhD scholars from the departments of SDUMC and AH & BS

Objectives

- Design presentation layout based on the context.
- Use Microsoft PowerPoint for presentation efficiently.
- Use animations judiciously to increase the effectiveness of presentation.
- Recognise the appropriate body language techniques to facilitate better delivery.
- Utilise different interactive tools to promote active engagement.

Instructors

SL

Mr S Lokheshwar
Assistant Professor, Department of Speech Pathology & Audiology, SDUAHER

Mr Naveen Kumar. I
Assistant Professor, Department of Physiotherapy, SDUAHER

Dr Usha G Shenoy
Assistant Professor, Department of Allied Health and Basic Sciences, SDUAHER

Dr Vinutha Shankar MS
Professor, Department of Physiology, SDUMC
Director, UCHPE

Course content

1 hour	Introduction to the course
5 hours	Apply transitions and animations
1 hour	Exporting the presentation to different formats

4 hours	Insert and format text, shapes, images, audios, videos, SmartArt, tables, and charts
2 hours	Importance of appropriate body language
1 hour	Introduction to interactive tools
1 hour	Types of interactive tools
1 hour	Other tools for effective presentation

Completion

Assessment Assignments include pre-test, critique, reflections, presentation incorporating the techniques learnt, and post-test.

Attendance Attendance is mandatory for all the sessions for successful completion of the course.

Certificate Certificate will be issued only on successful submission of the feedback form and assessment.
